Lamington Presbyterian Youth Group from Bedminster, New Jersey assist Habitat for Humanity

August 6-10, 2015

Habitat for Humanity of York County Maine hosted 13 students and sponsors from the Lamington Presbyterian Church from Bedminster, New Jersey this past week for their Mission Trip 2015. The group worked to clear land for our upcoming Kennebunkport Veterans Build for a veteran, his wife, and their two young children. They also assisted with a weatherization project in Kittery, Maine.

At the Habitat ReStore, the group completed landscaping projects, painted, cleaned furniture, and hosted a carwash for Habitat. The group were guests of the First Parish Congregational Church UCC in Saco. Sebago Brewing Company in Kennebunk and the York/Ogunquit United Methodist Church provided lunch for the group.

“We are very appreciative of the enthusiastic volunteers who have worked with us this past week. We were able to complete a number of projects and the group had an opportunity to make a difference in the lives of the low-income families Habitat serves,” says Doug Fraser, President of Habitat for Humanity of York County, “It helps them realize the power they have as individuals to make a difference.”

Habitat for Humanity of York County, the local affiliate of Habitat International, was incorporated in 1985 as a non-profit builder of affordable homes in partnership with low-income families, community volunteers, and local businesses. Our mission is to work towards the elimination of poverty housing and homelessness in York County and to stir the hearts and minds of others to take action on this issue.
