PRESS RELEASE

Saco & Biddeford Savings Institution supports Habitat for Humanity of York County's Wells Build

Kennebunk, ME — Habitat for Humanity of York County has received a grant from the Saco & Biddeford Savings Institution to assist with their 28th home building project. The \$5,000 grant will help Habitat for Humanity York County build an accessible, affordable home in Wells, in partnership with the future owners, the Carter Family. The home will include accessible design features to meet the needs of the family's oldest son.

"Saco & Biddeford Savings Institution has supported Habitat for many years. We are so appreciative of their help with the Wells Build," said Amy D. Nucci, Habitat for Humanity of York County's Executive Director. "The Carter family will be able to care for their son without housing barriers such as entry stairways, narrow doorways, and an inaccessible bathrooms."

"Partnering with an organization like Habitat for Humanity whose mission is to use love to create action is a perfect fit for SBSI where we believe we are in it together as we strive to support our communities and community members with our time, energy and resources," said SBSI Senior Vice President, Mark Jones.

Habitat has many opportunities to volunteer on the Wells Build, at the ReStore, in the office or assisting with Keep York County Warm! Anyone interested in participating or donating to Habitat is encouraged to call the Habitat office at 985-4850 or visit the website at www.habitatyorkcounty.org.

About Habitat for Humanity York County

Habitat for Humanity York County, the local affiliate of Habitat International, was incorporated in 1985 as a non-profit builder of affordable homes in partnership with low-income families, community volunteers, and local businesses. Our mission is to work towards the elimination of poverty housing in York County and to stir the hearts and minds of others to take action on this issue.
